On August 21, the California Legislature will return from its summer recess. In past years, it has remained in session until September 1. This year it will continue in session until September 15, and Governor Brown will have until October 15 to act on bills.

CNPS has not yet posted on line the numbers of the bills it is supporting or opposing. The California Information website lists 4 Assembly bills and 14 Senate bills CNPS is watching. Depending on what changes are made in the bills in the chaotic final month of the 2017 session, CNPS will support and oppose many of them. Future newsletters will summarize the bills on which CNPS takes a position.
