LEGISLATIVE NOTES

FEDERAL LEGISLATION THREATENS

There are many bad public land bills pending before Congress. Fortunately, Congress has been so preoccupied with health care and tax bills that the bad bills have remained in Committee to this date (11-10). It is doubtful that Congress will get to them until after the first of the year. After the first of the year, environmentalists will have their hands full opposing them. There are far too many bills to be summarized in this article, but if you want to see them Google: H.R. 232, H.R. 622, S 132, S 335, H.R. 3117, S. 33, H.R. 2950, H.R. 2661, H.R. 2907, H.R. 2907, H.R. 2936, H.R. 2074, H.R. 2167, H.R. 2284, H.R. 2613, H.R. 1106, H.R. 1349, and H.R. 1489.

The full text of bills and the Legislative Analyst's summary are available on the California Legislature Information website (Click Link Here).

CNPS positions on bills are available at CNPS Legislative Report (Click Link Here). Overview of CNPS Legislation Program (Click Link Here).
