WILDFLOWER SHOW LOGO
The deadline for entering a design for The Wildflower Show has been extended to June 31. The Board is offering $50.00 for the selected design. It should include the title "The Wildflower Show" and a plant species native to Butte Co. It should be able to be used for letterheads, posters and t-shirt design.
For more information contact Denise Devine 345-28444. Send entries to 1444 Arcadian Ave. by June 31, 1988.

UPPER RIDGE NATURE PARK
In the last pipevine the Upper Ridge Park was erroneously referred to as "Pines School Nature Preserve". This area was the brain child of the Upper Ridge Wilderness Areas group. It is being developed in cooperation with the BLM and Paradise Unified School District.
